Dear community members,

Firstly, thank you to Sarah for organising the Family Get-together BBQ held on Friday night. It was a great night of socialising and an excellent opportunity for the Downie family and myself to meet everyone. A special thankyou to Nick Boyd for his excellent cooking skills – some natural talent on display for sure. I also think some recipe sharing is in order – there was some delicious food to enjoy. Thanks also to Jess on her presentation of the Red R fundraising opportunity.

We commenced our Sporting Communities program last week with Dookie Primary School and everyone had a great time developing their interschool relationships and learning a new sport. I was particularly impressed with the manner in which all our students represented themselves at the Star Bowl. I was very proud of their conduct – well done. The Bowling program will continue each Tuesday, culminating on Tuesday 22nd of March.

In Term Two, students will complete a modified Golf program with Dookie Primary School. It sounds very exciting and the students may end up with lower handicaps than some of us adults.

Parent Teacher Interviews were held last week. The family “by in” and support offered by you all is excellent and Rosalie and I are grateful for your support. Our students truly are in good hands.

Rosalie has been very busy finalising the STAR GAZING evening to be held on Mt Major on Friday, 11th of March. More information is provided on the attached flyer. It should be a great night and is another shared event with Dookie Primary School.

We are looking for a volunteer or two to finish the assembling of the 2 table tennis tables. If you back yourself in as someone handy with a screwdriver and able to follow complex instructions the school would love to speak to you.

Thanks for reading and for your continued investment in your child’s education.

Brendan Kenna
Acting Principal.

SCHOOL FEES
** Please note that outstanding fees for 2015 need to be paid as soon as possible.

Just a reminder that the school fees for 2016 are due. The fees are $170 per student, and all bus travellers will pay $125 per term per family.
Fees can be paid directly into the school account at:
BSB: 033 209
Account No: 14 1753
Account Name: Currawa Primary School Official Account
Please put family name and details on payment so information can be linked.
If parents find it easier we are quite happy to organise a payment plan so families are not burdened with a large one-off payment. Please see us at the school to make these arrangements.
