Dear Currawa Community, Parents and Guardians,

Welcome back to school! I hope everyone had an enjoyable and restful school holidays. Term 2 is looking to be a busy term and we hope to be able to enjoy some school excursions and activities with the further easing of Covid-19 restrictions. NAPLAN is also this term for any students in years 3, 5, 7 and 9. This year NAPLAN will be administered online.

As part of our cultural diversity celebration in Term 1 the students created a short video. This can be viewed on Webex in Currawa Classroom. I hope you have had a chance to view the video, the students did a great job!

I have been informed that our Outside of School Hour Care (OSHC) program with TheirCare will begin on Monday May 9th.

TheirCare is now accepting bookings. You can register and book on their website <https://theircare.com.au/>

You can also find the link on our school website <https://www.currawaps.vic.edu.au/>

When registering select the Dookie PS TheirCare service. It is also important that if you have booked your child in for a session that you let me know so I can organise student drop offs with Lee.

Our school modernisation project has had many delays this year. The project was put out to tender at the start of the year and unfortunately no contractor was appointed. We are now in the process of retendering. An advanced tender notice can be found here <https://www.tenders.vic.gov.au/tender/view?id=237962>.

I am looking forward to a busy and exciting term!

Greater Shepparton Secondary College (GSSC)

If you haven't had a chance to visit Greater Shepparton Secondary College, scan the QR code and enjoy this virtual tour. Parents and students, particularly Year 6 students intending to go to GSSC, can click on classrooms, the gymnasium, theatre and a range of other specialist learning areas. The drone footage and school grounds really show off the college's features and the size of the central courtyard, which is as big as Federation Square. Scan the QR code with your smartphone and for each image, just move your cursor up, down and around to enjoy this "walk-through" of GSSC.

Hot Lunches

During Terms 2 and 3, the students are able to bring lunches that can be heated up in the oven. We ask that children with hot lunches bring their food in an oven proof container or wrapping. Teachers put the food in the oven on a low heat at recess.

Label Clothes

As it becomes colder and students are wearing more clothing please remember to label student jumpers and jackets. We have a number of jumpers at school with no names.

Outside of School Hours Care (OSHC)

TheirCare is now accepting bookings for Before and After school care.

Bookings can be made on their website

<https://theircare.com.au/>

Please remember to inform the school if you have booked in your student for a session so we can arrange a bus drop off with Lee.

School Website

A reminder that as well as checking WebEx for information, it is a good idea to check the school website occasionally too. There is also a Language Translator at the bottom of the homepage where you can change the language if needed.

Throughout the year I have spent some time updating the school website. If you think that there is something missing from the school website that would be helpful, please let me know.
